We think it's important to offer the opportunity to order a glass of tap water instead of water from a bottle. The production, transport and packaging of bottled water is very harmful to our environment. We serve tap water for a small fee to be able to continue to offer you this service. We donate part of the proceeds to Natuurmonumenten at the end of every season.

Glass of water € 0,50

Carafe of tap water small € 1,25 large € 2,50
